Dear Narendra Mishra:

After a careful review of your application, I am pleased to confirm that you are being offered admission into the following program:

**Bachelor of Computer Science
Gina Cody School of Engineering & Computer Science**

As a next-generation university, Concordia fosters a creative and inspiring learning environment that encourages its students to address the challenges facing contemporary society. I am delighted that you will be joining us this Fall 2022. Allow me to be the first to congratulate you!

Here are your next steps:

1. Log into myConcordia.ca, go to your Student Centre and accept your offer (see the [how-to guide](#)). Your deadline to confirm is on page two of this letter.
2. Get ready to register for classes. After you accept your offer, you will receive an email with information and contact details for academic advising and course registration. You must register for classes in the term to which you've been admitted. Refer to the [term dates and deadlines](#) to learn when you can begin registering for courses.
3. Consult the [Welcome Guide for New Concordians](#) for the next steps to take as a newly admitted student.

Do you have questions about your admission? Your Admissions Officer's contact information can be found in the Program Information section below.

Once again congratulations on your achievement. We look forward to welcoming you into the Concordia community.

Sincerely,

A handwritten signature in black ink, appearing to read "Sophie Fontaine".

ADDITIONAL INFORMATION

Your admission is based on the academic history you provided during your application. If any new information becomes available, this offer is subject to review. If you have omitted to list any post-secondary institution you may have attended, it is your responsibility to contact your admissions officer.

English Proficiency Requirements:

Please note that the ESL deficiencies specified above have been assigned on the basis of the English proficiency score you submitted and/or your academic background. You may pre-register for ESL courses, but you must write an ESL placement test (ConCEPT) as soon as possible, before classes begin. The results of this placement test can potentially exempt you from one or more of these courses. All required ESL courses must be completed in your first academic year.

For further information on the placement test, including upcoming dates and appointment procedures, please consult <http://www.concordia.ca/artsci/education/programs/esl.html>

Gina Cody School of Engineering and Computer Science Writing Skills Requirement:

All students in the Gina Cody School of Engineering and Computer Science must satisfy the School's writing skills requirement. To fulfill this requirement, please refer to the [writing skills requirement](#) information.

Information for International Students:

As an international student, you are required to obtain a Quebec Certificate of Acceptance (CAQ) and a Study Permit. Study Permit applications must include the following:

Concordia University
1455 de Maisonneuve Blvd. W
Montreal, Quebec H3G 1M8 Canada
Designated Learning Institution number: O19359011007

Please see the [ISO Pre-Departure Guide](#) to determine the procedure for obtaining these documents. This guide also includes housing and health insurance information.

If you still have any questions after consulting the guide, contact the International Students Office by email at iso@concordia.ca.

Tuition fees for the 2021/22 academic year, commencing in September and concluding in April, are approximately \$26,000 but are subject to change without notice. This amount covers tuition and various other administrative fees based on a 30 credit course load. An additional health insurance fee will be added to your account. Normally, 50% of the full tuition fees are payable in September. Please refer to the [Student Accounts website](#) for more details on tuition, fees and financial regulations.

If you are unable to obtain your Study Permit in time for this term, you may email your Admissions Officer and request to be considered for a deferral to the next term. You must submit this request no later than the start of the term to which you were admitted. Only one request for deferral is permitted per application.

Advising and Registration

Once you accept your offer you will receive an email containing more information about advising, registration and other pertinent details about commencing your studies at Concordia University. This email will also provide appropriate contact information to help guide you should you need assistance with these matters.

Consult our resource [Understanding your Offer of Admission](#) for an explanation of the details in this letter.

Sincerely,

UgrdAL
